## ATHLETIC DEPARTMENT EXPANSION & IMPROVEMENTS

**At a Special General Meeting on 16 November members overwhelmingly approved the Committee's recommendation to expand and improve the Athletic Department.**

This was the culmination of extensive discussions since the Annual General Meeting in May. Last years members' survey, the results of which were distributed at the Annual General Meeting, had called for such improvements. A \$540,000 construction contract has now been signed with Max Cooper & Sons.

The July newsletter referred to the Committee working on a Master Plan for the Club of which an essential element would be the extension of the changing facilities and of the Athletic Department itself. Research also showed that there was demand for expansion of the gymnasium and that the squash and handball courts were underutilized. Draft plans were displayed at that time and members were invited to discuss the draft plans with the Athletic Department Task Force, the Secretary/Manager

or indeed any committee member. A "members forum" took place on 13 July.

By August many members had submitted their views; some even drew plans for consideration. Final plans were displayed in the Athletic Department from September.

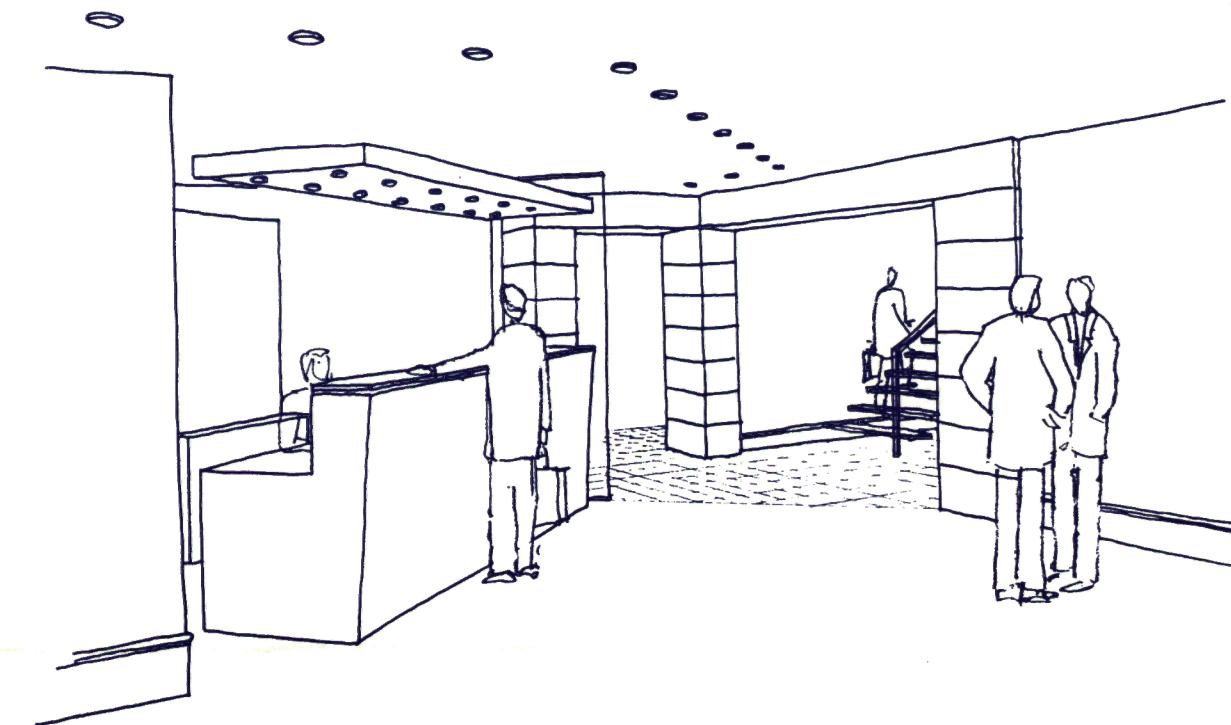

The construction program has now been placed on the Athletic Department's noticeboard. Inconvenience to members will be kept at a minimum because the new changing room will be constructed prior to the removal of the existing changing area. The new changing room is expected to be ready by February and final completion is scheduled by the end of March.

---

*There are now 715 members who have elected to take up the Athletic Department Option by which a member enjoys unlimited use of the department's facilities. This is 46% of ordinary membership. Participation in the Athletic Department seems to be increasing: of the 15 new members elected in October, 13 took up the Athletic Department Option.*

Reception is now located much closer to the main entry doors so as to visually greet members on arrival. Members will be asked to produce their membership cards to obtain a temporary locker. This will assist the Club in recording member visits and improve general security.

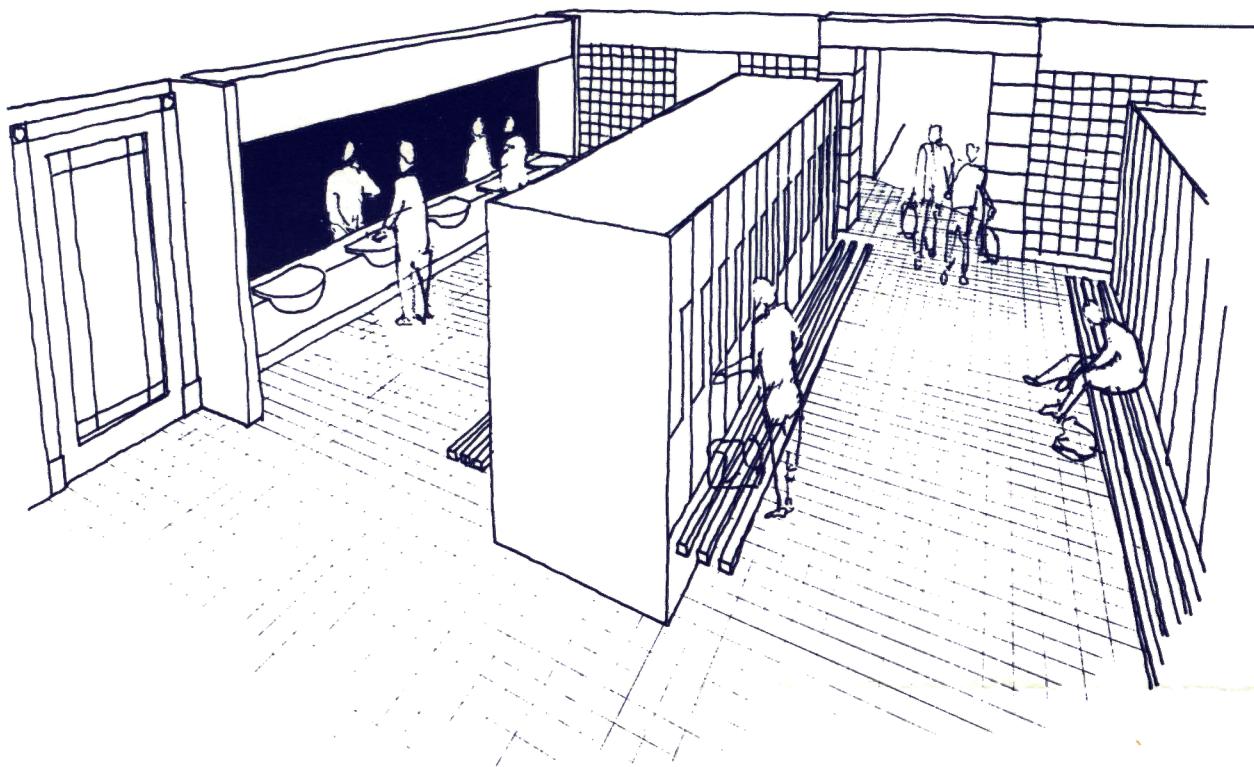

Access to the Gymnasium, Changing Room and mezzanine will all be conveniently located directly off Reception through framed entrances. Reception will become a focal area maintaining an efficient flow of people. The use of low voltage lighting, timber veneers and granite will create a 'club' atmosphere.

**VIEW OF RECEPTION ON ENTERING THE ATHLETICS DEPARTMENT WITH  
CHANGING ROOM AND GYMNASIUM ENTRANCES BEYOND**

The new Changing Room will be approximately three times the size of the existing area. It will have 1000 personal lockers capable of accommodating a toiletry bag; in future, all members who elect the Athletic Department Option will be assigned a personal locker and will enjoy a subsidised laundry service.

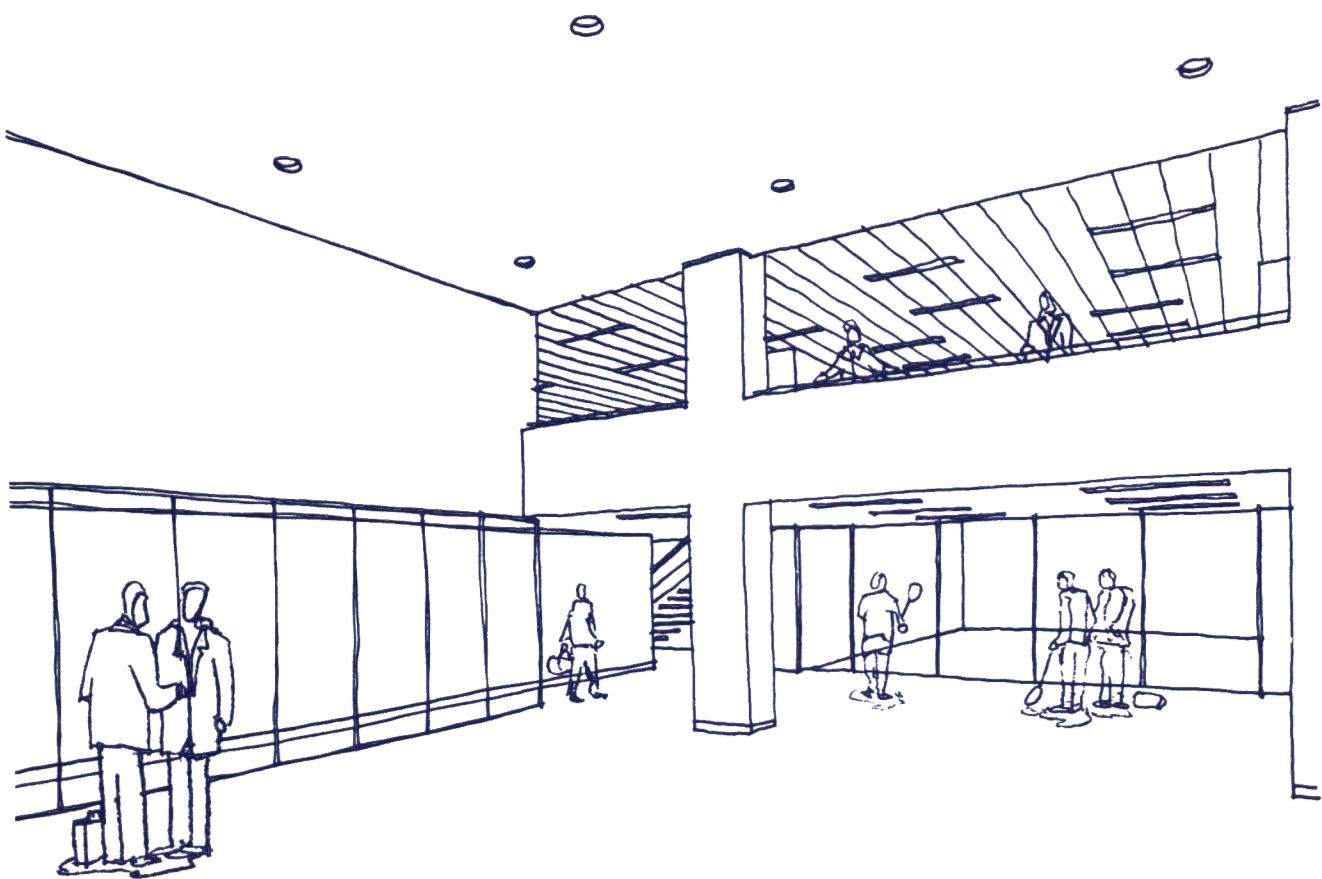

The changing room will have 150 full length hanging lockers capable of accommodating each member's clothes and shoes; members will be expected to use these temporary lockers on all occasions, thereby "cleaning up" the new changing room.

**VIEW OF CHANGING ROOM WITH FRAMED ENTRANCE FROM RECEPTION (AT TOP), SHAVE BAR AND MASSAGE ROOM (TO LEFT)**

Members will walk past the trophy display cabinet and mezzanine staircase to enter the Gymnasium. A glass partition provides a passageway which will lead to the pool area. The combined squash and handball court will have a full length rear glass wall.

The Gymnasium will double in size and include a mezzanine level from which the combined handball and squash court can be viewed; it has been necessary to combine the handball court with the squash court in order to provide space for the new facilities.

**VIEW OF TWO-STOREY GYMNASIUM SPACE WITH NEW MEZZANINE AND EXISTING SQUASH/HANDBALL COURT BEYOND**

## SNOOKER & BILLIARDS

We will wind up this year with a pairs competition on Thursday 8 December. A free day for a \$500 first prize supplied by your Snooker Sub-Committee commencing at 1:00pm. Pairs will be drawn from the hat and food and beverages will be supplied free of charge.

Eddie Crane has kindly donated six magnificent crystal drinking glasses to the winning pair.

## EPICUREANS

The Epicurean's Christmas Party Cabaret night on Friday 9 December 1994 will be a great finale to a very successful year.

With our functions improving all the time, full credit is due to Tattersall's staff with special thanks to Carolyn Birley and all her dining room staff. We also appreciate the effort of the Club's Kitchen staff who consistently produce quality food with flair and imagination.

## **DON'T HURRY IN TO**

### **(NEXT DOOR TO TATTERSALL'S)**

Stroll in with enough time to enjoy the place..... even if it's only to pick up a refreshing necktie.

The game of putting together an important suit, and the exact shirts that click with it, is pleasant. We're good at it. Our customers say it pays off better than most investments.

Some customers, flat out during the business week, like to make an appointment with Arthur or Az to open the shop for an hour or two on a Sunday if they have some serious dressing to think about. The customers often bring the important lady. The Maloney men make good coffee.
